Themed Parties

Why not theme your Christmas Party with one of our extravagant packages?

1920's

This is the era of flapper girls, gangsters and jazz. A 1920's-style jazz band will set the party's tone as your guests sip drinks from the art deco bar, closely watched by gangster-style characters.

Dine in an elegant atmosphere with fantastic orchid and feather arrangements, black and white movies in the background and even a flapper girl cabaret act.

Narnia

Start your journey with welcome drinks in an old style bedroom, scattered with ageing bedroom furniture, a little quirky and larger than life.

When dinner is called, walk through a wardrobe door, push your way through layers of fur and frosty trees and feel gentle flakes of snow fall upon you while the icy breeze of Narnia welcomes you...

Masquerade Ball

Welcome to the event extravaganza, madness mixed with serenity – a Masquerade Ball!

Enjoy the surreal atmosphere of Venice with beautiful Venetian stilt walkers dressed in stunning full length dresses, jesters and jugglers and agile jester-style acro-balance artists.

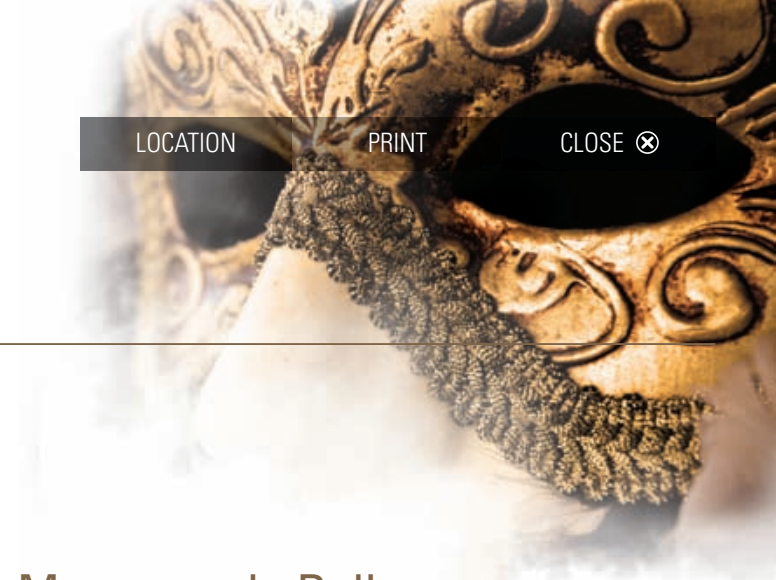

Please call us on +44 (0)20 7402 2400 for prices and more information.
