Hilton Meetings

We've complemented our major suites with 17 high quality smaller Hilton Meetings rooms. Whether you want to run workshops, brainstorming, committee meetings, slide previews, VIP hospitality or any other activity, the Hilton Meetings brand is your guarantee of a successful, productive and hassle-free meeting. They can be used separately or linked together in a wide range of configurations.

They also benefit from the resources of their own dedicated Business Centre and the availability of Hilton Connections internet and technology products which make an ideal 'nerve centre' for large and complex events.
